

CS325 Project Time Log

Name: Team Echo

Assignment: TP02

Date	Task ID*	Start Time	Stop Time	Delta Time (min)	Explanatory Comments	Task Completed
10/11/2012	01	16:47	17:08	21	Team Meeting 1. Divided tasks amongst team members and reviewed Project Requirements	<input checked="" type="checkbox"/>
10/12/2012	12	20:00	21:40	100	Lindsey started SPMP Documentation, researched online for example SPMP Formats.	<input checked="" type="checkbox"/>
10/13/2012	12	16:15	17:05	50	Lindsey continued work on implementing SPMP.	<input checked="" type="checkbox"/>
10/15/2012	07	21:00	22:24	84	Brian drew up the class diagrams in his notebook and made his first "sketches" on dia.	<input checked="" type="checkbox"/>
10/16/2012	09	07:43	08:00	17	Brian drew up his first sketch of the communication diagram.	<input checked="" type="checkbox"/>
10/16/2012	01	16:46	17:00	14	Team Meeting 2. Brian orchestrated meeting, explained his sketches to team.	<input checked="" type="checkbox"/>
10/16/2012	07	22:10	23:42	92	Brian finished up the planning and sketching of the class diagram on paper and updated it to DIA	<input checked="" type="checkbox"/>
10/16/2012	10	22:10	23:42	92	Brendan worked with Brian. He created Scenarios	<input checked="" type="checkbox"/>
10/17/2012	11	08:07	09:02	55	Brian drew a rough sketch of the first Sequence Diagram with its alternate paths.	<input checked="" type="checkbox"/>
10/17/2012	10	12:15	14:20	125	Brendan continued work with Scenarios	<input checked="" type="checkbox"/>
10/17/2012	11	21:20	22:10	50	Brian continued drawing the next few sketches of Sequence Diagrams	<input checked="" type="checkbox"/>
10/18/2012	11	07:45	08:12	27	Brian continued drawing the next few sketches of Sequence Diagrams	<input checked="" type="checkbox"/>
10/18/2012	11	08:24	08:43	19	Brian continued drawing the next few sketches of Sequence Diagrams	<input checked="" type="checkbox"/>
10/18/2012	01	16:56	17:17	21	Team Meeting 3. Team members discussed their progress on the program.	<input checked="" type="checkbox"/>
10/19/2012	10	19:32	20:42	70	Brian assisted Brendan with Scenarios	<input checked="" type="checkbox"/>
10/19/2012	10	19:32	20:42	70	Brendan worked with Brian on Scenarios	<input checked="" type="checkbox"/>

CS325 Project Time Log

Date	Task ID*	Start Time	Stop Time	Delta Time (min)	Explanatory Comments	Task Completed
10/19/2012	11	21:00	22:40	100	Brian continued putting the Sequence Diagrams into DIA	<input checked="" type="checkbox"/>
10/19/2012	08	22:40	23:32	52	Brendan was assisted by Brian in starting the State Diagrams	<input checked="" type="checkbox"/>
10/19/2012	11	22:40	23:32	110	Brian finished up entering in the sequence diagrams.	<input checked="" type="checkbox"/>
10/21/2012	02	10:30	11:15	45	Brian entered in PSP Forms	<input checked="" type="checkbox"/>
10/21/2012	01	16:45	17:05	20	Team Meeting 4. Analyzed our teams documentation and suggested improvements to one another.	<input checked="" type="checkbox"/>
10/23/2012	08	02:00	03:00	60	Brendan finished the creation of class state charts	<input checked="" type="checkbox"/>
10/24/2012	12	01:30	04:45	195	Lindsey worked on finishing SPMP	<input checked="" type="checkbox"/>
10/24/2012	11	19:00	19:17	17	Brendan worked on a Sequence Diagram	<input checked="" type="checkbox"/>
10/25/2012	12	09:10	13:45	275	Lindsey worked on SPMP until completion	<input checked="" type="checkbox"/>
10/25/2012	11	09:30	10:30	60	Brian worked on fixing Sequence Diagrams.	<input checked="" type="checkbox"/>
10/25/2012	03	15:28	14:15	47	Lindsey worked on updating all individual PSPs into team documentation	<input checked="" type="checkbox"/>
10/25/2012	01 05	16:34	17:20	46	Team Meeting 5. Team worked on finalization of our documents	<input checked="" type="checkbox"/>
10/25/2012	07	17:20	19:31	131	Brian on Class Diagram corrections that Dr. Mayer suggested.	<input checked="" type="checkbox"/>
10/25/2012	03	17:20	20:37	187	Lindsey worked on updating all individual PSPs into team documentation	<input checked="" type="checkbox"/>
10/25/2012	04	17:20	20:40	200	Brendan worked on creating new use-cases and creating scenarios for new use-cases	<input checked="" type="checkbox"/>

*Task ID values refer back to those used in the Product Planning Sheet for the corresponding assignment.
