CS325 Project Time Log

Name: I Hope This Works   Assignment: IP02

Date	Task ID*	Start Time	Stop Time	Delta Time (min)	Explanatory Comments	Task Completed
9/7/2012	1	5:21	6:01	40	Olsen and Hoots met to decide on a requirements list	☐
9/7/2012	1	7:22	7:44	22	Brian refined the requirement sheet and added the dropbox folder	☐
9/9/2012	1	6:00	6:30	30	Allen met with Olsen to get his responsibilities	☐
9/9/2012	1	12:40	1:05	25	All met and touched base to familiarize ourselves with the requirements as a whole	☒
9/8/2012	2	6:27	7:31	34	Olsen drew up Flowchart and UML Diagram	☐
9/8/2012	2	5:03	5:18	15	Designed the Final cases needed for the processor class	☐
9/10/2012	2	5:45	6:23	38		☒
9/9/2012	3	3:00	4:25	85	Olsen figured out how to handle the File I/O and started on the necessary functions	☐
9/10/2012	3	6:56	9:55	159		☐
9/10/2012	3	6:46	8:02	76	Started to work on save cases. When to enable and disable the save button and a dialog box that requires asks the user	☐
9/11/2012	3	6:22	7:08	46	Finished developing the save cases and sent off the code to my team so they can start working on combing our code together.	☐
9/11/2012	3	12:05	1:50	75	Writing code, team meeting in the middle	☐
9/12/2012	3	1:30	5:30	240	Stitching together our code into one project, we were stuck on figuring out how to do it, but figured it out	☐
9/13/2012	3	12:40	1:05	25	Making some last minute updates to some of my functions so they look neater and taking out any dead code and reorganizing the order of the functions.	☒
9/11/2012	4	12:40	1:10	30	Team meeting	☐

*Task ID values refer back to those used in the Product Planning Sheet for the corresponding assignment.

CS325 Project Time Log

Date	Task ID*	Start Time	Stop Time	Delta Time (min)	Explanatory Comments	Task Completed
9/12/2012	4/6	4:22	5:25	63	Continued tying the code together from what the team had given to me. It's becoming apparent that I should make some changes.	☒
9/11/2012	5	8:02	8:25	23		☐
9/13/2012	5	7:02	7:23	21	Compiled the code while doing some last minute testing to make sure everything was running well	☐
9/13/2012	5/6	10:30	11:15	45	Looking over the code, Adding comments, editing per requirements	☒
9/12/2012	6	9:13	10:08	55	Tested and fixed bugs	☐
9/14/2012	6	11:49	11:59	10	Found a bug after compilation sending it to Darren to fix	☒
9/14/2012	7	12:00	12:41	41	Doing all the documentation for Individual files and adding	☐
9/15/2012	7	2:42	3:53	71	Finished the UML and started my documentation finalization	☐
9/16/2012	7	9:23	9:55	32		☐
9/17/2012	7	4:56	6:34	100	Finshed the documentation and summary of the project	☒
